I acknowledge that these commodities, technology or software will be exported from the United States in accordance with the International Traffic and Arms Regulations and/or Export Administration Regulations and that diversion contrary to U.S. law is prohibited.

Furthermore, I acknowledge that United Lens products will not be diverted to the following embargoed nations: Cuba, Iran, North Korea, N. Sudan, Restricted Russian Parties and Syria, or to a military end-use in China.

United Lens technology or products will **NOT** be employed for:

- the design, development, fabrication, or testing of nuclear weapons or explosive devices; or design, construction, fabrication, or operation of facilities or components of facilities for chemical processing of irradiated special nuclear or source material, heavy water production, separation of isotopes of source and special nuclear material, or fabrication of nuclear reactor fuel containing plutonium, or unsafeguarded nuclear facilities.

- direct or indirect assistance in the design, fabrication, operation or maintenance of rockets systems (including ballistic missile systems, space launch vehicles, and sounding rockets); or unmanned air vehicle systems (including cruise missile systems, target drones, remotely piloted vehicles, and reconnaissance drones).

- design, development, production, stockpiling or use of chemical or biological weapons.
